PRESIDENT: The first matter on General File today is the resumption of consideration of LB 608. Will the Clerk explain where we were on that bill?

CLERK: Mr. President, when we debated, left LB 608 yesterday there was pending an amendment by Senator Schmit that you will find on page 1566 of the Journal.

PRESIDENT: Motion by Senator Schmit.

CLERK: Yes, sir.

PRESIDENT: Senator Wesely, what do you want to do?

SENATOR WESELY: Yes, Senator Schmit isn't here. We expect him back in a minute. Let me just go ahead and ask that we proceed with the bill and the amendment.

PRESIDENT: Before you do that, let me see if we can establish some order (gavel) order in the Chamber especially under the balconies. There is a lot of conversational noise coming from under the balconies that interferes with members hearing the speaker. Senator Wesely.
